## OUR Almighty GOD

**Omnipotence:** Literally this word means all-powerful. Since God is infinite and since He possesses power, He possesses infinite power. He does allow His creatures to have some power, but this in no way diminishes His own. "He expends no energy that must be

replenished." When the Bible says God rested on the seventh day, it was to set an example for us and our need for rest, not because He was tired.

**Self-existence:** When Moses asked who he was talking to in the burning bush, God said, I AM that am. God has no beginning or end. He just exists. Nothing else in all the universe is self-caused. Only God. In fact, if anything else had created Him, that thing would be God. This is a difficult concept for our minds since everything else we will ever encounter comes from something other than itself. The Bible says, "In the beginning, God." He was already there.

## Farewell For Now

We love Mabel and our loss is certainly heaven's gain. She was a testimony and example of true Christianity. She is known for her love and respect for her husband Tom, for her care and concern for the church family with whom she served and served with. Her positive attitude and fortitude were an example and testimony to all. All these attributes were possible because of her surrender to her Lord Jesus Christ and willingness to walk in His ways. She will be missed so very much. Our thoughts and prayers are with Bro. Tom and the family.
