Telling a lost world about the Saviour is the main purpose and duty of each and every believer. For the next two months, we as a church family are going to focus on that which is so very important to God - Evangelism!

Being motivated for soul winning is a good thing, but let's define some terms first. Soul winning is a metaphor for evangelism, or witnessing. As such, this is a good thing to pursue. The Bible calls us to evangelize. Evangelism is at the heart of the Great Commission (Matthew 28:19-20). Christians are called to be witnesses of their faith to a watching world (Acts 1:8). In fact, the word martyr comes from the Greek word for "witness." Early Christians were often put to death for their "witness" for Christ. Clearly, these people were so motivated for winning souls that they gave their lives to that cause.

Each Thursday, Bible Baptist Church makes it simple to obey by collectively sharing the Gospel in the local area. The start time is 6:30 pm. If you have not attended, please join us as a silent partner to see what it is all about.
