

**Independence Day, also referred to as the Fourth of July, is a federal holiday in the United States commemorating the adoption of the Declaration of Independence 241 years ago on July 4, 1776. The Continental Congress declared that the thirteen American colonies regarded themselves as a new nation, the United States of America, and were no longer part of the British Empire.**

**CONGRATULATIONS & THANK YOU**

We want to congratulate Shelby on her upcoming wedding this Friday, July 7, to Josh Patrick. Thank you for your sweet spirit and radiant smile, your participation in the music ministry and for helping to keep the church rest rooms clean faithfully each week. We love you and you will be missed!

**SCRIPTURE**

Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage. Galatians 5:1

**ARK** When you think of kindness, what comes to mind? Whatever you think about, it most likely includes a good feeling. Kindness just does that. No wonder it's a fruit of the Spirit. When we're kind, others get to experience that warmth, and whether they realize it or not they're experiencing some of God's character.

But when the kindness and love of God our Savior appeared, he saved us, not because of righteous things we had done, but because of his mercy. (Titus 3:4-5)

God's Word tells us to memorize scripture and Pastor Redick is challenging BBC to do just that! There are sheets on the Lord's supper table of topical scriptures if you are interested in hiding God's Word in your heart!
