Love compels us to communicate the good news. The Holy Spirit will open doors for us by convicting people of their sin and stirring up a desire for salvation, and He will arrange for our paths to cross. Our job is simply to speak with people and explain that salvation is available to every sinner, and to present the good news of salvation.

WHY WIN SOULS?

Because it is the great commission (Matthew 28;19-20)

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you always, even unto the end of the world. Amen"

We call this the great commission and it contains three teachings. First, go and teach all nations the word-that means make disciples of men in all nations by teaching them how to be saved. Secondly, baptize them. Third, teach them to observe all things that Jesus commanded us. Soul winning is the main thing with God. When we fail to win souls we commit the sin of disobedience to the main command that Jesus Christ ever gave. We have an all-inclusive command for every Christian in the Great Commission. Jesus loves us and He wants us to pass His love to others by sharing the wonderful plan of salvation to those we meet! He promises to be with us and to help us to obey!

Francie Taylor's Husband, Norman, has been diagnosed with two forms of cancer: renal cell carcinoma (kidney cancer—stage four), and multiple myeloma (bone cancer). There is a large malignant tumor on his right kidney with surgery scheduled June 8th. So, Francie will be unable to be our speaker this year.

We are seeking the Lord's guidance as to what to do and will let you know when we do.
