

# JANUARY 14, 2017

**For other foundation can no man lay than that is laid, which is Jesus Christ. 1 Corinthians 3:11**

We will postpone the Vision service until next Sunday - January 21. On that night will have a special service for the express purpose of going over the plans and vision for the coming year! Please do what is necessary to be a part of this important service!

## **Building Our Homes**

How does this "Christ-centeredness" reveal itself out in the practical details of everyday life? To a certain extent it expresses itself differently from situation to situation. Every Christian family, like every Christian individual, is a poem (Greek poiema, "workmanship") written by God (Ephesians 2:10), and every poem is unique. But there are some common features we can expect to find in every genuinely Christ-centered home.

### **Joy is characteristic of a truly Christian home.**

Having said this, it's important to understand that joy and happiness are not necessarily the same thing. Happiness is a result of what happens to us. Joy has deeper roots. Every marriage and every family will experience trials and hardships of various kinds, but there is no circumstance that can rob us of our joy if we know that the key to our present welfare and future destiny lies in Christ alone.

Joy comes from an explicit trust that God loves you, and that He is trustworthy. When life events make no sense and your world is seemly catastrophically changed it is only when we realize God loves us and is trustworthy that we can experience true joy!

You won't want to miss our February Fun Fest! Instead of a Valentine banquet; this year we are hosting an activity for everyone! For those who enjoy bowling we will ride a bus to Manor Lanes in Hopwood. For those who are not able to bowl. Don't worry! There will be fun games to enjoy in the fellowship hall and a meal for all of us together afterward!
