

JANUARY 21, 2018

Tonight's service is for the express purpose of going over the plans and vision for the coming year! Please do what is necessary to be a part of this important service!
Thank you!

For other foundation can no man lay than that is laid, which is Jesus Christ. 1 Corinthians 3:11

Building Our Homes

I. Joy is characteristic of a truly Christian home.

II. A Christian home is orderly.

As the apostle Paul says, "God is not the author of confusion but of peace" (1 Corinthians 14:33). Thoreau had a famous dictum: "Simplify, simplify, simplify!"

On purpose get rid of chaos from your home. Regularly review everything that's allowed in. Should it stay? Does it build up the family? Does it encourage people to value one another over things? Do you have too many clothes, toys, or things to keep the space you have neat? Then reduce. What you decide to keep organize.

Develop a System that works for your life. Being organized is about two things: depending on the Lord for His strength and answers, and then receiving and implementing those answers one step at a time.

Begin by organizing the closets, drawers and cupboards efficiently. Then develop correct habits. After doing those two things, a routine maintenance for keeping things neat and tidy will take only a few minutes. Implement a schedule of cleaning and organizing that keeps your home neat.
