Let's RSVP to God's Personal Invitation!

Our God is holy, just, loving, eternal, all-powerful, all-knowing, sovereign, and unchangeable (just to name a few of His qualities).

This Creator and Sustainer of the universe invites us to get to know Him better! We should seize the opportunity!

We can know Him better when we search the Scriptures on a daily basis. We look for ways to understand His nature and His will. We find out what He likes and what displeases Him. We adjust our life to fit the Word of God.

We can RSVP to God's invitation by matching our approach to prayer to reflect Jesus' teaching in the Lord's prayer. His first emphasis was focusing on Who God is and emphasizing the importance of focusing on God's holiness. ("Hallowed be thy Name,").

Before we dive into our list of petitions, we should take time to recognize the worth and value of the God of the Universe! Then, as in the Lord's prayer..."thy kingdom come, thy will be done," we can submit and surrender to the Lord daily. As it says in the Scriptures, "I die daily".

After recognizing God's intrinsic value and humble surrender of our will to His; then we are prepared to dive into the petitions we have for ourselves and others. "Give us this day our daily bread."

Next is confession of sin. It is important to keep our relationship with God unhindered by unconfessed sin. Some awesome ways to have a FRESH START to 2024!
