

When looking for a contractor we might look for qualities such as dependable, conscientious, professional, honest. guaranteed or inexpensive.

What about all-powerful? Or all-knowing? God's holy attributes are the Christians most powerful and valuable resources. God is "on call" twenty-four seven. He is omnipresent (everywhere at the same time) and so He is available no matter when we call upon Him.

Temptation is easy to resist when the will power is fully charged up and prepared, but some temptations catch us off guard and in times of physical, emotional or spiritual weakness - when we are most vulnerable.

Fortunately for us our God is all-powerful and He offers to us His power in our times of weakness. The Bible tells us that His strength is made perfect in our weakness.

That is why prayer, Bible reading and Scripture memory are so important to our Christian life. Doing that will give us the resources from God almighty to fight discouragement, temptation, and even apathy.

As we step into 2024 lets make sure that we understand it is not our strength, but His strength that gives daily victory!
