Jesus

When we dwell on Jesus' sacrifice we usually think about His suffering on the cross. The sacrifice actually began the second He took on human flesh.

Jesus is both the Son of God and the Word of God. He was and is the power of creation. All the attributes of God (omni-present, omnipotent, omniscient, holy, righteous, etc.) are embodied in Jesus Christ. He left the perfection of heaven for the difficulties of humanity living in a sin cursed earth.

He subjected Himself to rejection, ridicule, betrayal, hunger, thirst and weariness. He compressed His infinite Presence into a tiny babe dependent upon His mother for care.

His sacrifice was so that every human being could have a Fresh Start! What a Saviour!
