

April 28, 2024 **freshstart**

**Jesus**

The Old Testament was filled with prophecies so that God's people would recognize the Messiah. But like so many today they wanted to interpret them to fit their agenda.

Jesus birth came at a desperate time for the Jewish people, as they were under the oppression of Roman rule. They were subjugated, taxed and desired for a Messiah to come in and in great fury and power rescue them and then rule over them.

Jesus, humble carpenter from the rural area of Nazareth was not Who they were looking for. If we are to have a **Fresh Start** - we need to allow Jesus full access to each and area of our life. We need to not allow our pre-conceived ideas to dominate how we live but the eternal Word of God. Jesus is the Word! Freedom and Peace are byproducts of our surrender to Him!

We welcome Bro Emanuel Digap, our missionary to Cambodia and East Asia!

He will be sharing his work and preaching during the evening service.
