

5/12/24 **Jesus** freshstart

One thing we should never forget is that Jesus suffered. His suffering was because of us and for us.

One of the reasons many Jewish people refused to accept that Jesus was the Messiah was that He was the suffering servant prophesied in Isaiah. They couldn't reconcile that the Redeemer and the suffering servant were One in the same. The Messiah was supposed to rule forever and the suffering Servant had to die.

Jesus not only suffered physically but He also suffered verbal attacks on His character by the most respected people of His day.

The religious leaders so reverent in their approach to God that they wouldn't speak His name, when face to face with God Himself mocked Him, criticized Him, and ignored His teachings.

The Scriptures tell us that Jesus is the Word. When we mock, criticize, or ignore the teachings of the Word of God -we also cause the Saviour to suffer.

It is impossible to have a **Fresh Start** without the cleansing power of the Word of God. We can only have victory if we embrace and obey the teachings of the Bible. There truly is Victory in Jesus!
