## Jesus

During Jesus' ministry on earth He didn't attempt to ingratiate Himself with the religious leaders of His day. Instead He seemed to enjoy the company of every day people. His disciples were a diversified group from fishermen to a tax collector. He treated women and foreigners with respect.

The way Jesus handled Himself put him in the crosshairs of the religious elite. They unsuccessfully did everything they could to expose Him as an imposter and a fraud. The set verbal traps to ensnare Him in His words, but were always astounded at how their traps just exposed their own faults!

Jesus sacrifice would pay the penalty for sin once and for all. To those who were expecting a vigilante to bring utopia to earth He said, "My kingdom is not of this world." John 18:36

Jesus had a much bigger aim that physical salvation, He came to destroy the power of sin and death once and for all. That wasn't what anyone was expecting.

Jesus is still defying expectations. We need to be careful that we don't pick and choose which of His teachings we should apply and those that are irrelevant for today. To enjoy a **Fresh Start**, we need to study, understand and apply the eternal Word of God!
