Jesus

Jesus was a young adult man when He started His earthly ministry, which lasted 3 years. It is important for us to recognize those things which He chose to focus on, as our life the Bible says is like a vapor - here and then quickly gone.

Jesus put a premium on "His Father's Word", as should we. He understood the potential of God's Word. Long before Paul used the analogy of the Word of God being a sword, Jesus used God's Word to defeat Satan in His temptation in the wilderness. Every time Satan offered Jesus an easy way out, Jesus defeated him by quoting Scripture. Satan was powerless against God's Word.

That is why it is vital to study and memorize God's Word. It is the power to defeat temptation and to learn the heart and mind of almighty God.

God is our Creator and He knows all that is best for us. He is willing to share His vast wisdom and give us resources to live our best life on earth, and to enjoy the rewards He offers for living for Him in eternity.

Too often we forget He has **all** knowledge and want to do things our way. That always results in disappointment and failure if our ways are different than His.

We've just begun installing solar panels on our water tower! It's taken a lot of effort to reach this point, but the reward is within sight as we look forward to having a reliable water source for our ten-acre plot! The next big hurdle will be the actual 10,000-liter tank!

Hey everyone! We're thrilled to announce the launch of a new radio ministry this Saturday in the city of Chipata, reaching throughout the Eastern Province! Even though you won't be able to tune-in, please pray for us as we share the gospel and establish sound doctrine with up to one million potential listeners every week!
