Jesus

Jesus was a young adult man when He started His earthly ministry,

which lasted 3 years. It is important for us to recognize those things which He chose to focus on, as our life the Bible says is like a vapor - here and then quickly gone.

Jesus put a premium on "His Father's Word", but He also prioritized "His Father's Presence."

He was a consistent example of gaining strength through fellowship with the Father. As a teacher and a healer, Jesus was in demand. But He wasn't looking to be popular, the only approval Jesus sought was His Father's. Can the Father say about us like He did Jesus that He is "well pleased" with our life?

Jesus work on earth was possible because of His companionship with the Father. Even those closest to Him did not really understand Him. We can experience that same dynamic. But just like Jesus we can turn to our heavenly Father, often and with purpose. The time Jesus spent with the Father prepared Him for the very hectic schedule He had of giving, loving, teaching and helping others.

Without time in the Word and in the presence of the Lord - a **Fresh Start** is impossible. In our own strength we will get frustrated, disappointed, discouraged and distracted.
